SPONSORSHIP PROSPECTUS

DON'T MISS OUT ON

2025

WHAT'S ON OFFER

We're excited about presenting some of the best speakers to share their insights into how to do procurement smarter.

Delegates to our conference have an outstanding opportunity to:

- network with key decision-makers
- actively participate in a full day of activities
- pose questions, lead discussions, innovate with leader, and share ideas
- gain insights for a sustainable and social procurement strategy.

By working closely with buyers and suppliers, we are poised to help all delegates to find the answers they are looking for innovative purchasing questions, and to facilitate procurement contracts that make a real difference.

OUR SIGNATURE FORMAT

We work hard all year to make sure our conference is a unique and rewarding experience for all attendees.

Our signature format combines high-quality content focused on procurement's first principles:

- Efficiency
- Sustainability
- Long-term economic benefit

As one of Australia's leading procurement specialists, we are also proud to host our peer-chosen Excellence Awards. These awards acknowledge today's outstanding procurement achievements Australia-wide.

UNRIVALLED SPONSORSHIP OPPORTUNITIES

We're truly excited about the outstanding sponsorship opportunities on offer as part of this year's conference program.

Quickly becoming the leading procurement networking opportunities in Australia, our conference brings together key decision makers from Procurement Australia's diverse member base.

With an audience profile rarely assembled at any one time, this is the perfect opportunity and platform for anyone looking to build and strengthen their business with organisations that represent an enormous slice of the procurement pie.

Get in touch today to select a sponsorship level or tailor support that's right for you.

Our success has always been our members' success. Take this opportunity to meaningfully connect with one of Australia's leading national aggregators, our members and key industry decision makers.
