

Six – month Qantas Club Membership Extensions

As it continues to be a challenging time for everyone, Qantas understands your travel plans may have been impacted this year. To help relieve pressure, Qantas are giving eligible members extended access to all membership benefits for another six months.

This extension is available for Qantas Club members who have an active membership as at 23 September 2020, originally purchased with a credit or debit card, or by redeeming Qantas Points.

There's no need to register or contact their call centre, your Qantas Club membership will be automatically extended by the end of September 2020 and you can view your updated details by visiting [My Account](#) at [qantas.com](#) or the [Qantas App](#). Qantas will also not be issuing new Qantas Club membership cards and recommend you download the Qantas App where you can also view and use your digital card for eligible lounge access.*

If you have purchased an Annual Guest Card, this will also be extended for a further six months. If the Annual Guest Card membership year ends between September 2020 and August 2021, your existing guest card can be used to gain entry to the lounge for the additional six months.

For more information, including detailed questions and answers, visit the [Qantas website](#).
