

## FCM: An exclusive look into the future of business travel

This month we bring you an exclusive look into the future of business travel. Read on for:

- A behind the scenes look at the inaugural [quarantine-free journey](#) across the Trans-Tasman travel bubble
- FCM's [latest playbook](#) unpacks the latest safety & risk advice, making a complex landscape simple again
- [Travel Trends report](#) - find out how Q1 2021 aviation & airfares stacked-up after a one-of-a-kind year.

### Travel in the Trans-Tasman bubble

It was the news we had been waiting for. As soon as we heard that the travel bubble between Australia and New Zealand was opening, tickets were booked.

Travel has not changed as much as you may think. But there are some new measures in place. That is why FCM asked Melissa Elf, General Manager, FCM

Australia and Tom Walley, General Manager, SME to document their journeys between Sydney and Auckland.

[Watch the video](#) to see what Melissa and Tom experienced along the way including new documentation, apps, and process requirements.

## Safety and Risk Playbook for travel managers in 2021

Download FCM's latest [playbook](#) to learn more about:

- Creating a safe and seamless travel experience for your travellers
- Navigating a new travel landscape
- 10-point Duty of Care checklist

## APAC Travel Trends Report

Trends look a little different in 2021, after a one-of-a-kind year. FCM Consulting has released this quarterly report on accommodation and airline using data from FCM corporate bookings and Cirium aviation data in Q1 2021. The report covers:

- Accommodation trends based on location and overall corporate demand.
- Breakdown of accommodation prices in cities across Asia and Australasia vs 2020 and 2019.
- Top city pairings and aviation trends based on demand.
- Rundown of airline seats available in the APAC region and city pair analysis.

Download the [report](#) to get access to the data and evaluation.
